

A Letter from the President
Ken Erdmann
Sept 23, 2017

Well, I hope everyone had a good time at the Summer Sizzler this past week. The weather was perfect (too cool to call it a Sizzler). Congratulations to all our winners. I'm glad I could contribute. None of you "A" players has to say they were "DAL". That dubious honor goes to me. It was fun though and I got to play with some guys I normally don't get to.

I'd like to thank all the Copper Canyon staff for helping us out and all they did. Eric and Jimmy put the new software to use and it worked out well. Thanks also to the cart guys and Scotts crew for all their hard work.

Thank you to Michael (Anderson) and his staff that helped us out with the food and made sure we were well re-hydrated after each round.

I especially want to thank my Board members for all their hard work. Randy (Dotson), Rick (Eades), and Patrick (Shanley) did a great job of orchestrating this event. It's a true pleasure to work with these gentlemen. Make sure you thank them also.

Just a reminder, over seed starts October 9th. The full schedule is on the MGC website. I've been told by Al (LaRose) that there will be no punching of the greens prior to over seed this year. The greens are in good shape and won't need it. We'll have great conditions right up to the 9th. Take advantage of it and get out there and play.

Lastly, but most importantly, next month, we'll be losing one of our Board members, Rick Eades. Rick will be moving to the Denver area to be closer to his kids and grandkids. Rick has served on the MGC Board multiple times over the past 9 years and has been one our most valuable assets. Even more than that, Rick has been a good friend to all of us. Please take time (go out of your way) to thank Rick for all he's done and to wish him well in his journey. We'll miss him. Good luck Rick!!
