

# **MGC CLUB CHAMPIONSHIP TOURNAMENT RULES**

- USGA Rules will be used except where local rules apply (see CC Score Card for local rules)
- All participants must be current MGC members and have AGA/GHIN Handicaps.
- All golfers will tee off from their designated tees as reported on the score cards. Club Champion and Payoffs will be for combined scores for both days. Low Gross Club Champion will be determined from COPPER tee participants only. Low Net Club Champion will be determined from all participants. The number of places paid will be based on the number of entrants.
- Handicaps for this competition are based as follows; 100% of the GHIN handicap as of the tournament start.
- In the case of a tie for First Place, a score card playoff, using the Day 2 Score Card, will occur using an aggregate of the first three holes. If a winner still cannot be determined, a hole by hole playoff, using the same score card, will proceed starting on Hole # 4.
- Closest to the Pin (KP's) will be paid for all par 3's each day. For purposes of KP's, there will be 2 flights; one for handicaps of 0-15 and one for handicaps of 16+. Players will play for KP's based on their handicap, NOT tee box.
- There will be a gross score and a net score for each hole.
- All holes will be played in their entirety. No "gimme putts". Any player not completing a hole will result in disqualification from the tournament.
- All tournament disputes must be brought to the attention of the Tournament Rules Committee immediately after the round for resolution. The Tournament Rules Committee will make their decision before final score for the involved participant is announced. All determinations by the Tournament Rules Committee are final. For purposes of this tournament, the Tournament Rules Committee shall be a designated MGC Board Member and a representative of the Pro Shop.

## **Reminders & Points of Emphasis**

- There is no free relief for balls that come to rest against a turf edge.
- Complete relief from staked trees is only allowed if the stake or wires, not the tree, interfere with your stance or swing.
