

# MGC ECLECTIC TOURNAMENT RULES

- USGA Rules will be used except where local rules apply (see CC Score Card for local rules)
- All participants must be current MGC members.
- All golfers will tee off from the COMBO Tees except those who qualify under the SILVER tee program.
- Handicaps used for this competition are from the GHIN handicap indexes as of December 1, 2019.
- The number of flights is determined by the total number of entrants.
- The best score for each hole between the two days will be used for the competition. This will be your Combined Tournament Score Card. *Ex: If you had a 4 on Hole #1 on Day 1, and a 5 for the same hole on Day 2, your Combined Eclectic Tournament Score would be a 4 (best of the 2 days) and so on.*
- Payout will be for best Low Gross and Low Net from the Combined Tournament Score Card. The number of places paid will be based on the number of entrants.
- **In the case of a tie for First Place**, the Eclectic Tournament Score Card will be used for the playoff, hole by hole, starting on Hole # 1. If there is still a tie, the same process will be used from the Day 1 scorecard.
- Closest to the Pin (KP's) will be paid for par 3's each day. KP's will be paid out per flight.
- Each player will play his own ball from tee to green until the ball is holed out, NO "gimme putts". Any player not completing the hole will result in his score being used from the opposite day for that hole. If no score is recorded for either day on any particular hole, disqualification from the tournament will result.
- All tournament disputes must be brought to the attention of the Tournament Rules Committee immediately after the round for resolution. The Tournament Rules Committee will make their decision before final standings for the involved team flights are announced. All determinations by the Tournament Rules Committee are final. Rules Committee will be a designated MGC Board member and a Pro Shop representative.

## Reminders & Points of Emphasis

- ❖ There is no free relief for balls that come to rest against a turf edge.
- ❖ Complete relief from staked trees is only allowed if the stake or wires, not the tree, interfere with your stance or swing.
