

SCF Men's Golf Club

"No Show" Policy –

Applies to any Member who is a "No Show" when signed up for Game Day or Tournament play

Implementation Date - May 3, 2021

Applies to all SCF MGC Game Day Play and SCF MGC Tournaments

"No Shows" are defined as a member who fails to show up for play on a game day, or tournament, which they had previously signed up for and given no prior notice to the Pro Shop of their absence.

This policy has been implemented to prevent disruption caused by missing players impacting team play, or preventing members on the Wait List from playing.

Members who are a "No Show", with no legitimate excuse, will be blocked from signing up for Game Day play for 2 weeks.

If a member is a "No Show", and has a legitimate reason, he must submit his information to scf.mgc@gmail.com for review and resolution.
